Prayer Requests

BEA ABBOTT was in ER on Monday with colitis. Please pray the pain will go away. She is also taking meds to help prevent another TIA.

DIANE BEEBE was at Gerber from December 23-28 with pneumonia and bladder and kidney infections. She was released to Regency for rehab and hoped to be able to go home this weekend or the beginning of next week.

JIM BROWN (Jackie's husband) had an upper GI done last week. A few things were determined, including that his drain is not plugged and will not have to be replaced. He also had an additional procedure to place a stent into his stomach and small intestine, which will be in for at least two months. Please specifically pray that this will be effective. Jim also had a procedure last Friday to re-position the Corpak so he can continue to receive nutrition through his feeding tube.

CALEB (Jim and Patti Bromley's son's best friend) continues his long road to recovery. Please keep him and his family in your prayers. If you would like to send a card to encourage them, their address is 93 E. River Road, Muskegon MI 49445.

JOAN DOERING (Julie Gardenour's aunt) passed away December 30th. Her memorial service was last Friday.

DORIS' (Patti Bromley's mom) defibrillator has been adjusted correctly. She has been able to use her exercise equipment daily and has worked up to 20 minutes. Praise the Lord!

ROSE ECKERT is home recovering from surgery. Her daughter Sharon is here from Georgia.

ELI GEETING, 1 1/2 year old son of Kevin and Emily Geeting of Canada, passed away Christmas morning. Please continue to pray for his parents, sisters (Ava and Lizzie), and all the extended family members.

The NATION OF ISRAEL still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.
