PRAYER list

STEVE ARCELLO had a procedure last week to administer a nerve block. Hopefully this will work well to relieve pain and solve the problem. He has been discharged from the hospital.

CAROL GRAHAM (Tim & Maetta Henry's neighbor) had open-heart last week. She is expected to be in the hospital for about a week.

CORY JACKSON (FBC missionary) has metastatic melanoma in his brain, which is typically considered stage four. The doctor highly recommended a year-long course of immunotherapy (different from chemotherapy) that can greatly reduce the chances of the cancer returning. With the comparatively minimal negative side effects, they are opting to move forward with this recommended treatment plan. Cory and Brooke would appreciate your prayers for wisdom as they process the new developments and how this affects their plans and decision making for future ministry overseas.

DAN KOHNS (Jim Kohns' son) had chest pains last week. A heart catheterization showed three blockages, which required stents to be placed. He was released from the hospital last Thursday.

DAWN MAREK is scheduled for surgery on September 10.

MARK (Steve Churchley's friend) was discharged from the hospital on July 26. He had a heart cath, and a stent was inserted. His blood flow was vastly improved. Thank you for all the prayers and concern!

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

NONA PASSAGE was riding a bike in Shipshewana and was hit by a dump truck last Thursday. Her injuries are extensive, but do not appear to be life threatening at the moment. Nona had surgery Friday morning in South Bend to address/repair/stabilize her broken ribs. She will remain in the hospital there at least until Tuesday, and depending on her recovery, they could then possibly consider a transfer. Steve and Nona are trusting the Lord through this difficult time. Please continue to pray.

PAT SCARCLIFF (Jackie Tellkamp's aunt) passed away on July 20. Please pray for the extended family as they grieve this loss.

EZRA SHAW (Pastor Tim & MaryBeth's 5 month old son) will return to the hospital for round #4 of chemo this Friday, August 9.
