The Guatemala Missions Team is seeking some donation items to use as part of the VBS activities. They are in need of ziplock bags (gallon and snack size), crayons, markers, construction paper, glue (no glue sticks due to the humidity in Guatemala), popsicle sticks (small), stickers, and scissors. If you are able to make a contribution to this, please drop your items in the box located by the registration/welcome desk.

Thank you to everyone who donated items and helped with the AWANA Carnival.

PRAY

6 YEAR OLD BOY from the White Cloud Youth Center had open heart surgery earlier this month where it was discovered that half his heart isn't working. The family would appreciate prayer that his oxygen levels will increase so he can go home and eventually get some therapy.

LANCE ASHBAUGH (Earl Ashbaugh's dad) is home after having COVID and pneumonia but is still on oxygen.

PATSY BEECHAM had knee replacement surgery last Monday. It went well and she is up and walking! Please pray for healing and good pain management.

ROBERT BLAZER continues to recover from surgery. Pray that the prescription antacid he is now taking would work. If it does, he can have another surgery that should give him relief from some of the things that have been bothering him for a long time.

TIM BLAZER is recovering from COVID. Thankfully he is showing signs of improvement! Because of his 2021 ICU and near death experience last time, Tim will always be a high risk COVID patient; and, therefore, they will treat very seriously each time. The Blazers are thankful for your prayers!

BRENT (friend of Steve Churchley) is doing good after his heart surgery.

CALI (Jackie Tellkamp's 4 year old niece) is home. She saw the doctor last week and is doing much better! Cali hopefully will conclude her round of antibiotics today! Thank you for praying for her!

FOREST DREIER (90 year old father of a friend of the Crabbs and Witters) has just been diagnosed with cancer and given a prognosis of 6-12 months. Please pray for his salvation.

GUATEMALA TEAM as they prepare for their trip this summer.

TOMMY HANDY has been vomiting a lot and not gaining weight. His doctors have ordered some tests. Please pray that the cause can be determined, and there will be an effective plan for treatment.

JIM KOHNS' procedures went well. The doctor hasn't found the answer to being anemic. They will be adjusting meds and would like Jim to watch his weight, blood pressure, etc. Jim is thankful for the prayers from everyone—he felt at ease through the whole ordeal.
