**BEA ABBOTT** was suppose to have eye surgery last week, but unfortunately had to be canceled because she's been having some nausea problems for about two weeks. Not sure what's going on, but Bea will probably be having an ultrasound or stomach scope soon. She is waiting to hear when or if the eye surgery will be rescheduled. Thank you all who have prayed and hopefully will continue to do that.

**TIM and LINDA BONT** left last Friday for Togo. They will return on August 1. Pick up a special prayer prompter at the Welcome Center so you know how to pray for them daily.

**JIM BROWN** (Carolyn's husband) saw the cardiologist last week, and his heart has been cleared! Praise the Lord there is no damage to his heart. Unfortunately Jim is still having chest pains and will be seeing his primary doctor.

**JIM BROWN** (Jackie's husband) is making progress in his therapy. He was able to walk 20 feet last Thursday. Jim is dealing with infection again, but they caught it early and don't anticipate complications.

**JOY DYKMAN's** blood pressure went back up, and she is retaining fluid again. Please pray that God will give doctors wisdom in the cause of this and course of treatment.

**NATE HARPER** is on hospice now and is waiting to go Home.

**PEPE & ROSINA MORALES** have returned home from Mexico. They visited 14 churches, taught kids 15 times (308 attended), preached 27 times, attended 2 pastor meetings, provided Bible materials to 70 leaders, participated in 2 pastor ordinations, and had 25 decisions for Christ. Praise the Lord!
