ARCELIA BALA (7-year-old girl close to the Brian and Kristin Eckert family) was scheduled to have her lumbar puncture last week, but she was transferred to Devos Children's Hospital by ambulance from her home last Tuesday. Apparently, she has taken a turn for the worse.

JIM BROWN's (Carolyn's husband) oral surgery went well, and he continues his recovery at home.

JIM BROWN (Jackie's husband) is facing a long road ahead. Steps are being taken to wean him off medication and machines, and sometimes it is one step forward and two back. The family is grateful for the ongoing prayer support of their church family.

JULI DYKMAN passed away last Tuesday. Her funeral will be here this Tuesday, May 3, at noon with a luncheon to follow.

GIDEON GRISWOLD is back to normal after having a seizure last Sunday. It appears to be an isolated incident as he's not had any more issues. Rich and Sharon are so thankful for the prayers!

NATE HARPER wants to go "home" and is ready; however, he is trying to wait until his daughter Fiona's birthday on May 10. Continued prayers for this family are appreciated.

PEPE and ROSINA MORALES continue to make progress after their house fire, but prayers and help are needed.

DEBBIE SNYDER (Mike Thompson's Mom) has been admitted to Doctors West Hospital, and they are running tests to try to figure things out. She had COVID a few months ago, and there is damage in her lungs and esophagus. She is very weak. She is a prayer warrior and needs our prayers now. Thank you!
