BEA ABBOTT has a scraped cornea that isn't healing due to a calcium deposit that has formed. She needs to have the deposit surgically removed. Pray it happens soon as it is very painful.

JIM BROWN's (Jackie) upper GI last week showed no leakage. He was discharged from Blodgett on Thursday.

ROBERT BONT (Kristen Eckert's grandfather) fell a few weeks ago and has been in a rehab facility. He is diabetic and recently had to have his leg amputated below the knee. Please pray for Robert as well as for Kristen as she helps him navigate moving forward and that she would have an opportunity to witness to him. He has not been welcoming to it in the past, and Kristen would like to see him put his faith in the Lord.

BECKY, SETH, LUKE, & LEAH CETON and **SHELLY EKKELE** are in Togo assisting the Teusinks in packing up their belongings to return to the States as they retire from the field.

LILY GUIKEMA had a doctor appointment last week. They are considering whether an VNS unit would be helpful for her.

CORY JACKSON (FBC missionary) had surgery last Thursday at the Mayo Clinic after Thai doctors discovered a tumor behind one of his eyes. Please pray for the doctors that are attending to Cory and for Brooke and their girls, as they're obviously scared. They are trusting for God's mercy, grace and strength.

DAWN MAREK's next appointment will be with a surgeon. The growth is small enough that they should be able to remove the growth without taking the whole kidney.

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

EZRA SHAW (Pastor Tim & MaryBeth's 3 month old son) is home after spending 76 days at Devos. He is facing 4 months of chemo but right now, the Shaw family is happy to be home together again.
