In memory of Juli Dykman, we would like to thank the First Baptist Church for being the Christian family whom shared so many moments with Juli and our entire family over the years. Thank you for your support and prayers for Juli and our family. With gratitude, we thank Dr. Steve for sharing such a heartfelt message at Juli's memorial service. It was truly heavy with meaning and message about Juli and the example she quietly provided over the years. We would like to thank the church members whom also helped support the memorial service and luncheon. Your combined support helped provide a thoughtful setting for the many family and friends to come together and remember Juli. Thank you again for being Juli's Christian family, providing the fellowship and support throughout her life.
Juli Dykman Family

Congratulations to our newest missionary family, Cory and Brooke Jackson, on the arrival of their daughter, Mavis. She weighed 8 pounds, 7 ounces and joins her 3 sisters who are loving her!

ARCELIA BALA (7-year-old girl close to the Brian and Kristin Eckert family) was diagnosed with cancer and has begun chemo treatments.

ERICKA BROWN and her extended family - Ericka's mom, Sharon, passed away unexpectedly on May 21. A Celebration of Life Service will be held here on Monday, June 6, at 7:00 p.m. A time of visitation and refreshments will follow the service in the activity center.

JIM BROWN (Carolyn's husband) has a cardiologist appointment on June 9.

JIM BROWN (Jackie's husband) has been moved from a regular hospital room to a rehabilitation floor in Blodgett Hospital. Praise the Lord for this progress!

RAY CARGILL had a stress test last Friday.

TONY HARRISON's recent MRI was negative for cancer! Praise the Lord! He will have a stem cell transplant mid-June.

BRIAN MAKI (Benji and Shelley Walker's neighbor) - The past week has been a rollercoaster of good news and scary news. Last Saturday he needed CPR and now has a temporary pacemaker installed. Monday they had him sitting up doing PT in the morning, but by the evening he was sedated again and on a ventilator. Doctors are seeing some good things, the infection seems to be clearing up. He does have a bit of pneumonia now. Please keep Lisa in your prayers as well, she is getting worn down.

PEPE & ROSINA MORALES continue to make progress after their house fire, but prayers and help are needed.

KAREN TANIS (sister-in-law to Gladys Lauritzen and Joyce Tanis) had surgery to clean infection from a previous surgery location and is on IV antibiotics. She remains in the hospital and is having additional testing done.

ROSEMARY VANDERVEGTE (Carolyn Brown's sister) has been released from the hospital after a major heart attack, has continuous monitoring, and will need much healing.

RUTH WINGELAAR is glad to be back at Fountain View. She is doing good but is still very weak.
