ARCELIA BALA has been going downhill, which was to be expected. She is having more seizures and is having a hard time talking and walking. Careline has now delivered her a pediatric wheelchair to help her get around. Prayers would also be appreciated for her family. Not only are they concerned about their daughter, but also, they have some other decisions that need to be made soon.

PATSY BEECHAM will be having a total knee replacement on July 25.

TIM and LINDA BONT are busy serving in Togo. Please pray as Tim works at the Hospital of Hope and Linda prepares and conducts seminars. Pick up a special prayer Prompter at the Welcome Center so you know how to pray for them daily.

JIM BROWN (Carolyn's husband) saw the cardiologist, and his heart has been cleared. Unfortunately he is still having chest pains; his primary doctor will continue to monitor that situation.

JIM BROWN (Jackie's husband) is making progress in his therapy. He is making more progress in his walking most days. Jim is dealing with infection again, but they caught it early and don't anticipate complications.

TONY HARRISON had his stem cell transplant and is home. He doesn't have an immune system right now so he has to stay away from people. Tony doesn't have an appetite and wears out easily but is doing good overall. The Harrison family is praising God for His continuous answers to prayers!

JOY DYKMAN's blood pressure went back up, and she is retaining fluid again. Please pray that God will give doctors wisdom in the cause of this and course of treatment.

NATE HARPER is on hospice now and is waiting to go Home.
