Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece, if so we saw it there. Perhaps you spoke the kindest words as any friend could say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever the part.

Thanks So Much, Judee Deater

Fountain View of Fremont is looking for volunteers to provide a devotional and/or music for approximately 30 minutes. This could be done on a regular basis or as your schedule allows. Sunday afternoons would be good, but it can be flexible. Contact Wendy Witter if interested.

Prayer REQUESTS

BEA ABBOTT saw her eye doctor last week. She does NOT have an ulcer in her eye, it's just a calcium deposit. Her doctor ordered a prescription eye drop, but it is very expensive. Bea is waiting to see if her doctor has any free samples for her.

DIANA BEEBE remains hospitalized at Blodgett. She is making some improvement. Diana asks specifically that we pray that her breathing improves and that she will regain the proper use of her legs.

TIM CRABB will be treated for prostate cancer in Muskegon. Radiation treatments will start tomorrow and hopefully conclude by the end of April. 2 Corinthians 1:3-6

LILY GUIKEMA (16 year old granddaughter of Linda Guikema) was able to see a neurologist 2 weeks ago. Her EEG was normal. She will have an MRI done on March 30, and an overnight EEG is scheduled for sometime in April. Lily has been put on medication and has remained seizure free.

SCOTT and TRACIE HOLLAND (Heather Harper's friends) Scott was diagnosed with ALS 2 years ago.

JAMIE (Dave and Linn Hitchcock's niece) was in a serious automobile accident on February 22. Since then, she has been hospitalized at Butterworth and while she is listed as "stable" she is in a medically induced coma. Her injuries are extensive, and her recovery will be a long road. Jamie is a single mother of 3 boys, ages 17, 11 and 9. There is a need for physical healing for Jamie, and for a spiritual awakening for Jamie and her family.

GUATEMALA TEAM as they prepare for their trip this summer.

ENRIQUE REYES is scheduled for exploratory surgery this Tuesday. The specialist that he saw last Tuesday does not believe the cyst on his pancreas is causing his health issues. He continues to wait for an appointment with the University of Michigan.

ROBERT and KASEY ROSZELL (Heather Harper's friends) - Robert was diagnosed with ALS in 2021 and is 26 years old. He is now on hospice.

SAM's (Jen Slovinski's friend's husband) splenectomy went well last week. They are praising God for His goodness to them. He is getting better each day! His body is responding well to the surgery; however, this does not fix his blood disease. This was the first step. The next step is a bone marrow transplant. They are hoping to do that at the end of April. Thank you for praying for Sam!

JEANNE TELLKAMP (Dan's Mom) went home to be with the Lord on March 10. Prayers for Dan and Jackie and their extended family would be appreciated.

HARRY VANDERVEGTE (Jim and Carolyn Brown's brother-in-law) passed away last Wednesday. Please pray for comfort for his wife, Rosemary, and the extended family.
