**Grief Share** is a non-denominational support group. They offer help and encouragement after the death of a spouse, child, family member or friend. A new 14-week session begins on September 5 and meets from 6:30 - 8:30 p.m.

**Single and Parenting** is also a non-denominational group supporting and encouraging single parents. A new 13-week session will begin Wednesday, September 20. They meet from 5:45-7:45 p.m. Each evening includes a light meal, childcare for infant-kindergarten and boys/girls programming for grades 1-8!

**JIM BROWN** (Jackie's husband) was in ER last week, but the good news is that it had nothing to do with the medical saga of over the past year. The bad news is that there is some pneumonia in one of his lungs. He was able to return home by late afternoon and is being treated with antibiotics. He is grateful for the continued prayer of the church family

**TIM HENRY** has completed week 5 of the 8+ weeks of radiation treatments he is receiving.

**TOMMY HANDY** is struggling again with keeping food down. Please pray for Tommy as well as Derek and Leah and their doctors to have wisdom on how to help him.

**KRISTIN KOOISTRA'S grandmother** was taken to the hospital suddenly last Wednesday night. She's having problems with her gallbladder, pancreas, and liver. She is in ICU and is septic due to infection. All the details aren't known, but surgery is probably needed, and she's not doing well.

**LURIE NORRIS** fell and fractured a vertebrae, which has been quite painful. She was hoping to see a specialist last week.

**JOYCE RANDALL** is scheduled for testing tomorrow at 7:00 a.m. Joyce and Norm both appreciate the prayer of the church family. Their specific request is that they will be "anxious for nothing."

**EMILY REYES** had a appointment on August 18. They are going to order an MRI to double check her heart. If it comes back only slightly enlarged then she'll just have to be checked every 5 years. If they do find something then she'll have more tests done.

**BILL WORTHING** continues to be in poor health and has been placed on hospice care. He has been diagnosed with an AVM in his lung. This condition significantly impacts the oxygen that his body needs to function well. He is receiving supplemental oxygen, but most other forms of treatment have been ruled out for him. He is grateful for the prayer support of the FBC family. Please continue to pray for him in the days ahead.

Pray for our **STUDENTS, TEACHERS, ADMINISTRATORS & STAFF** as school begins this week.
