**ARCELIA BALA** (7-year-old girl close to the Brian and Kristin Eckert family) was diagnosed with cancer and has began chemo treatments.

**JIM BROWN** (Jackie's husband) continues to make progress. He no longer needs dialysis. Jim has started soft foods and is moving closer to being ready for PT.

**RAY CARGILL** is feeling better and a stress test has been ordered to make sure everything is alright. Thanks for all the prayers!

**BEN LEININGER's** (Newsted's grandson) thumb and fingers are coming along pretty well with lots of therapy. Thank you all so much for your prayers.

**BRIAN MAKI** (Benji and Shelley Walker's neighbor) made it through a 12 hour surgery last Thursday to replace his prosthetic aortic valve that had a staph infection. He is stable but in very critical condition. Brian is in septic shock and is at high risk of organ failure. The family has felt every single one of your prayers. Continued prayers for Brian, Lisa and their two boys are appreciated.

**PEPE and ROSINA MORALES** continue to make progress after their house fire, but prayers and help are needed.
